New Programs

AS IT HAPPENS—Weekdays at 7 pm

From the Canadian Broadcasting Corporation, *As it Happens* changes your typical radio show format by talking with individuals who are at the forefront of the day's latest news as it breaks.

BBC Programming—Saturdays from 6 pm through Sundays 7 am

BBC programming covers a wide array of subjects including sports, world news, science, arts and culture. Programs include *The Newsroom*, *The Science Hour*, *Click*, *BBC World This Week*, and *The Compass*, among many others.

HIDDEN BRAIN—Sundays at 2 pm

NPR's *Hidden Brain*, hosted by Shankar Vedantam, takes a closer look into why the human brain acts the way it does and the circumstances that affect our choices and relationships through science and storytelling.

INTERFAITH VOICES—Sundays at 12 pm

Interfaith Voices is a nationally syndicated religion news program that explores how our many faiths intersect with current culture, public policy, and the news of the day.

IT'S BEEN A MINUTE—Saturdays at 3 pm

Each week, NPR's *It's Been a Minute with Sam Sanders* recaps the past week's news stories with stories that have societal and cultural significance.

NEWSDAY from the BBC—Sunday through Thursday at 10 pm

Newsday from the BBC covers the latest international news out of London, Singapore, and Washington DC.

ONLY A GAME—Sundays at 11 am

Hosted by Bill Littlefield, *Only a Game* is a weekly NPR style broadcast with feature reports about sports.

ON THE MEDIA—Sundays at 4 pm

On the Media is a weekly broadcast out of New York City that investigates and analyzes how the media shapes our worldview in regards to journalism, technology, and First Amendment issues.

PLANET MONEY—Saturdays at 1 pm

NPR's *Planet Money* covers all things having to do with both the national and global economy, covering and explaining today's most pressing economic issues.

TED RADIO HOUR—Sundays 1 pm

As a part of the TED organization, *TED Radio Hour* presents thought provoking 'ideas worth spreading' on a huge array of topics that are concerned with all facets of the human condition.

THE NEWSROOM and other programming from the BBC—Weeknights at 12 am

The Newsroom and other programming from the BBC "brings you global events as they happen," keeping listeners up to date on everything that's happening around the world.

THE SPLENDID TABLE—Saturdays at 2 pm

The Splendid Table from American Public Media is the leading radio broadcast from the culinary world. Host Francis Lam brings this culinary, culture, and lifestyle program to life in a broadcast that is guaranteed to make you hungry!
