

## **Exchange Policy for the Community Idea Stations**

The Community Idea Stations never sells, exchanges or lends to third parties any email or telephone information you provide when making a Membership Pledge.

Occasionally, the Community Idea Stations may share mailing information you provide when you pledge on-line or through the mail (your name and your postal address) with other carefully selected non-profit organizations.

In no event will the Community Idea Stations sell, rent, lease, lend, trade, give, donate, transfer, or otherwise exchange, the station's membership lists with, or acquire such lists from, any candidate for public office, committees or organizations supporting a candidate, political parties, or organizations that solicit funds for use in political campaigns.

If you would prefer not to have your information shared in any of these ways, contact us via email at [membership@ideastations.org](mailto:membership@ideastations.org) or at the postal address or telephone number listed below.
